**Subject: Roundy's / Mariano's Stores Converting to Kroger Enterprise Systems**

Dear Valued Supplier,

Starting Tuesday – February 20, 2018, Roundy's / Mariano's Stores will begin the conversion process to the Kroger store systems. Mariano's Store #8523 at 6655 Grand Ave. in Gurnee, Illinois, will be the first store to convert (see attached conversion schedule) to the Kroger store systems. On February 20, Store #8523 will become store #523 and will become a part of Kroger division 531.

Beginning February 20, all 894/DSD NEX invoices transmitted for the Mariano's Gurnee Store #8523 MUST transmit to KROGER EDI – ISA/QAL **9254110060/08** and not to Roundy's EDI – ISA/QAL 9274510010/08 as shown in the [sample data](#) later in this notification. These changes will apply to all stores listed in the [conversion schedule](#) with expected completion date of July 19, 2018.

The Roundy's retailer DUNS will remain as **007947195**.

**On February 20, please make the following changes to the 894 document for Roundy's store 8523:**

1. Change the Roundy's Receiver ISA and GS id's to Kroger's as mentioned below:

<b>Kroger's ISA Qualifier/ID</b>	<b>08/9254110060</b>
<b>Kroger's GS ID</b>	<b>5137624388</b>
<b>Kroger EDI Mapping Specifications</b>	<a href="#">Click Here</a>
<b>Kroger EDI Complete DUNS Listings</b>	<a href="#">Click Here</a>

2. Transmit the EDI documents to Kroger using the same communication protocol that your company transmits EDI documents to other Kroger divisions – to either IBM Sterling (Kroger's VAN) or direct to Kroger via AS2
3. Change the EDI version to 005010UCS (GS08) and 00501 (ISA12)
4. Transmit division 531 and store 523 in the G8204 data element (531523)
5. Contact the Kroger DSD Project Manager, Diane Noel, to set up EDI testing if you are currently transmitting EDI 894 invoices to the Roundy stores.
